**EMILY NENNI TO RELEASE *ON THE RANCH* NOVEMBER 4th VIA
NORMALTOWN/NEW WEST RECORDS**

ON TOUR NOW WITH CHARLEY CROCKETT

**TOUR DATES WITH KELSEY WALDON AND TEDDY AND THE ROUGH
RIDERS ANNOUNCED**

Emily Nenni will release *On The Ranch* November 4th, 2022 via Normaltown/New West Records. The 10-song set was produced by Mike Eli (guitarist for Chris Stapleton) and Alex Lyon and mixed and engineered by Jake Davis at Laughing Heart Studio in Nashville, TN. *On The Ranch* follows Nenni's 2017 *Hell of a Woman* LP as well as *I Owe You Nothin'*, her collaborative EP with Teddy and the Rough Riders, and 2020's *Long Game* EP. The latter's title track cracked over 1 million streams and earned her critical acclaim with **Glide Magazine** proclaiming, "Nenni possesses a unique and deeply charismatic vocal charm."

The Bay Area born & raised, Nashville-based singer songwriter chronicles her life through delicate songcraft rife with honky-tonk spirit and spiked with just the right amount of soul. In possession of sharp chops shaped by endless sets at Robert's Western World and the smoky double wide trailer Santa's Pub in Nashville, she asserts herself as the consummate country storyteller on her label debut.

Following High School, Nenni attended Columbia College with a major in audio engineering. After a year, she dropped out and saved up enough money to move to Nashville — despite not knowing a soul in the city, and eventually linked up with producer and frequent collaborator Mike Eli. She says, "I'd been working at a restaurant for a few months mid 2020, and like a lot of people, I just wanted to run away. I was fortunate to know a Covid-safe place to escape to — Mike's wife was wrangling at a ranch in Colorado and we relocated with the intention of writing the rest of the record, which we did. It was such a privilege to stay in a house full of wrangling women. Their days started around 5:30am, Mike and I would have breakfast and get to writing on the front porch, which had a beautiful view of the Great Sand Dunes National Park. I ended up going back to that ranch to work about 6 months later after I had left my job at the restaurant. The owner needed an extra hand, so I served meals, took care of her kid, and played for guests once a week."

Emily Nenni is on tour now with Charley Crocket and has also announced tour dates with Kelsey Waldon and Teddy and the Rough Riders. See all dates below.

“What I love about country is the songs can be very honest and vulnerable, yet they’re beautiful enough to make you cry,” she notes. “My music is sweet and sad, but I don’t take myself too seriously. It’s old school honky-tonk with a slightly different flavor.”

Emily Nenni’s *On The Ranch* will be available across digital platforms, on compact disc, and standard black vinyl. An extremely limited to 150 Smokey Clear Color Vinyl Edition will be available via Vinyl Me, Please. A limited to 800 Tan & Gold Marble Color Vinyl Edition will be available at Independent Retailers and can be pre-ordered **NOW** via Normaltown/New West Records.
